

KOOKY

LYRICS: BOB BOYLE / MUSIC: B. MOSSMAN

It's okay to be odd or not quite straight
Normal is fine but different is great
There is no law, there is no rule
Just remember
Kooky is cool!

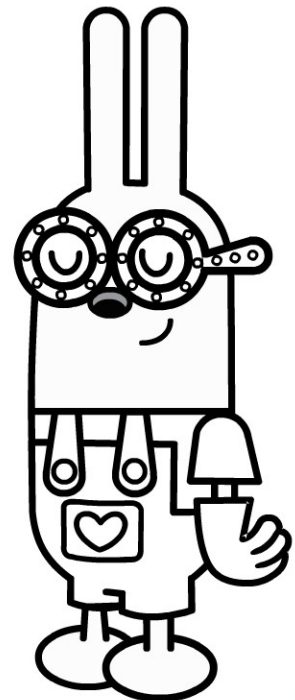

That's kooky!
Kooky is cool!
That's kooky!
Kooky is cool!

That's kooky! That's kooky!
We're all kooky and so are you!

If you like pizza with pickles on top
That's kooky! That's kooky!
If you see a hippo do a belly flop
That's kooky! That's kooky!

If you dress like a robot and act like a duck
If you see an octopus driving a truck
That's kooky!

If you wear a hat that's made out of cheese
 If you've got curvy legs and furry knees
 If you own a purple monkey named Eloise
 Or you make a funny sound whenever you
 sneeze

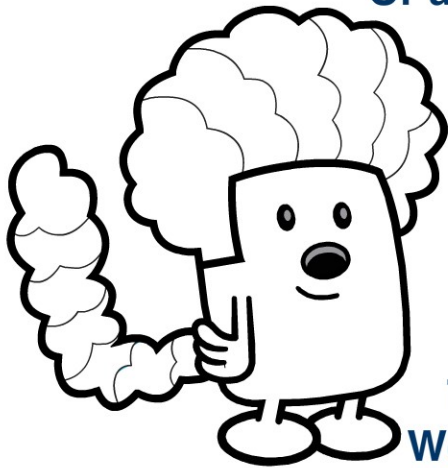

That's kooky!
 Kooky is cool!
 That's kooky!
 Kooky is cool!

That's kooky! That's kooky!
 We're all kooky and so are you!

If you see a spaceman living in a clam
 If you write a love letter to a yam
 If you meet a dinosaur all dressed in lace
 Or an alligator playing upright bass

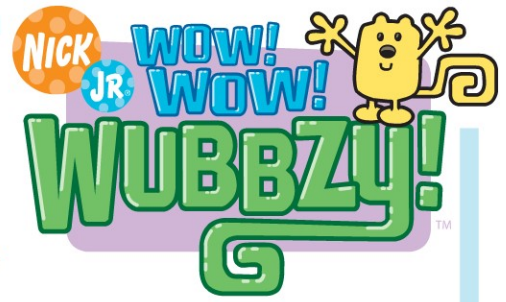

That's kooky!

That's kooky!
 Kooky is cool!
 That's kooky!
 Kooky is cool!

That's kooky! That's kooky!
 We're all kooky and so are you!
 We're all kooky and so are you!
 We're all kooky and so are you!

Kooky!

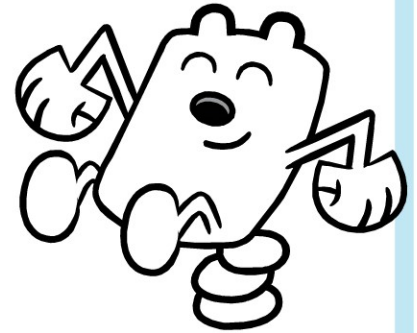

BE HAPPY

LYRICS: BOB BOYLE / MUSIC: B. MESSMAN

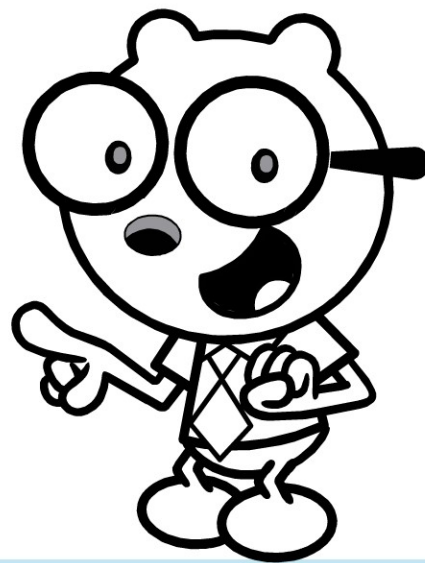

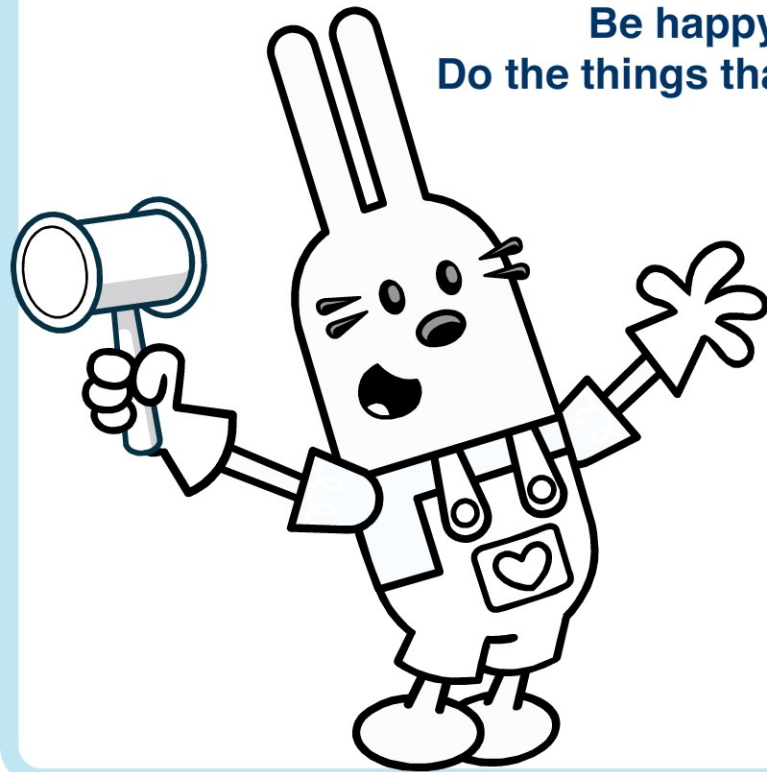

When you've got the blues and you're feeling kind of bad
If you're down in the dumps and super-duper sad

Be Happy!
Be Happy!
Be Happy-Happy-Happy-Happy!
Be Happy!
Be Happy!
Be Happy!

If you look outside your window and it's a dark and gloomy day
There's something you can do to chase the clouds away

Be happy, not sad
Do the things that make you glad

If things are sort of stinky and always going wrong
Don't you even worry, just start to sing this song:

Be Happy!
Be Happy!
Be Happy-Happy-Happy-Happy!
Be Happy!
Be Happy!
Be Happy!

Be Happy...Be Happy...Be Happy!

Be Happy!
